Easton Elementary School is having a "Sign My T-Shirt Party" on White T-Shirt Day. Each student will wear a white t-shirt. When the party begins each student will sign all the other students' shirts. The principal bought drinks and cookies for the students. The drinks cost \$36.06. The cookies cost \$29.16. How much did the drinks and cookies cost in all?

Peter found a bag of marbles at the thrift shop. There were red, blue, and yellow marbles in the bag. He grabbed a handful of marbles and got 3 red marbles, 1 blue marble, and 6 yellow marbles. If Peter put his marbles in a new bag and you picked one at random, which color would you most likely pick?

A pink bear costs \$6. A brown and white bear costs \$9. How much more does the brown and white bear cost than the pink bear?

Frank the Frog liked puzzles. It took him a long time. He had to push the pieces in place. He couldn't pick them up. His first puzzle had three pieces. It took him thirteen minutes to do it. At that rate, how long would it take him to do a puzzle with 6 pieces?
