Hannah collects squishies. Before she started getting serious about collecting, she only had 7 of them. But now she has 26 squishies. She ordered 6 really big squishies online. They should be delivered next week on her birthday. And guess what? Next week on her birthday, she invited 4 friends over for a slumber party. In the invitation she said, "No gifts. Just give me 3 squishies."

On the day after her birthday, how many squishies will Hannah have?
