Read the paragraph. Write a topic sentence and supporting details to describe the paragraph.

My least favorite chore is putting away laundry. I don't mind folding my clean clothes; I just don't like putting them away. I think it is a lot easier to just leave folded clothes in the laundry basket. Since I can see all of the clothes in the basket, I can easily grab the outfit I want to wear without having to hunt through my drawers for clothes. Unfortunately, my mom doesn't agree with me so I have to put my clothes away every Saturday morning. Someday, when I'm a parent, I'll let my kids keep their clean clothes in the laundry basket.

Write a topic sentence for the paragraph: _____

Write one supporting detail: _____

Write a second supporting detail: _____
